Important Disclosures

¹ Checking your property's eligibility and obtaining a maximum financing amount does not obligate you to obtain financing. If you wish to obtain a maximum financing amount, Renew Financial will check your credit report by pulling a soft inquiry. A soft inquiry enables Renew Financial to view the information contained in your credit report without significant impact to your credit score. A soft inquiry may appear in your credit report, depending on the credit bureau.

² RenewPACE financing is subject to credit approval. Underwriting requirements may vary and are subject to change. Additional underwriting requirements and restrictions apply. Your lender or a buyer's lender may require you to repay the outstanding RenewPACE financing in full as part of a refinance or sale. RenewPACE financing is private financing that must be repaid in full. RenewPACE financing is not a government subsidy. Homeowners are encouraged to use RenewPACE financing responsibly.
